

Instructions to follow in case of a gas leak

Leave the area immediately!

DO NOT flip a light switch.

DO NOT use your telephone or wireless phone.

DO NOT light a match or lighter.

DO NOT use a doorbell.

DO NOT turn off or on lights or anything electrical. Notify other persons in area by person – **NOT BY PHONE** – to leave the premises, then leave yourself.

- Remember protect LIFE *then* Property.
- After you leave the area call 316-531-2321 or 316-833-2594 to report a gas leak. If no answer call 911.
- Remain away from the building or area until an emergency official familiar with the situation says it's safe to return.
- Warn others to stay away
- Do not attempt to correct the problem
- Once your gas has been shut off, do not attempt to turn it back on. Only qualified personnel shall perform this task.
- For more information click on the link for the Gas Utility Page.
