

Garden Plain Photo Contest Will Begin Accepting Entries on October 20

The City of Garden Plain is pleased to announce our first ever photo contest! We are asking for your help to showcase our amazing community, and the opportunity for your photos to be featured in a new 2024 community calendar.

We will be accepting electronic entries from October 20 through November 1, 2023, at 5PM. The contest is free to enter and gives both professional and amateur photographers the opportunity to help us showcase Garden Plain and their photography skills.

Individuals may submit up to five entries. Entries are accepted from Garden Plain residents, Renwick students, visitors, and guests. If your photographer is under 18 years of age, it should be submitted by a parent or teacher on the student's behalf. Photos do not have to have been taken during this calendar year.

A panel of judges will choose winners based on the quality of the image, technical merit, creativity, subject matter as it relates to Garden Plain, and the appeal of the image to potential visitors.

Photos will be chosen for the calendar with an eye toward the four seasons, the holidays, and annual events in Garden Plain. Images chosen to appear in the calendar will end up with a landscape orientation.

All entries must be submitted electronically by email to kelly.mcelroy@gardenplain.com. Entries should be jpeg attachments to the email submission; the body of the email must include photographer's name, address, email, phone number, photo title and location where it was taken. All photographs/entries grant the City of Garden Plain the right to use, publish, display or distribute the image. Photographers should submit a high-resolution images to ensure the best reproduction.

For question, please contact Kelly McElroy at the City of Garden Plain at kelly.mcelroy@gardenplain.com or by phone at City Hall: 316-531-2321.
