

Cost: \$20

Fees for inspections performed at the Garden Plain Police Department Inspection station will be collected by the officer doing the inspection at the time of the inspection.

A VIN Inspection, or VIN Verification, is a physical inspection of your car's vehicle identification number.

The purpose of a VIN check is to make sure that your vehicle matches the details stored about it in the state DMV databases.

Please call 316-531-2222 or email chief@gardenplain.com to set up your VIN Inspection!
